

FOOD WASTE DISPOSER

TRITURADOR DE DESPERDICIOS DE COMIDA

Recycle Your Food Waste

Recicle los desperdicios de comida

Food waste disposers can provide an environmentally responsible alternative to transporting food waste to landfills. And they can help reduce greenhouse gas emissions. At capable wastewater treatment plants, food waste can be recycled to produce renewable energy. Additionally, capable wastewater treatment plants can process food waste into fertilizer. (Check the plant in your area.)

Los trituradores de desperdicios de comida proporcionan una alternativa responsable con el medio ambiente para transportar los desperdicios de comida al vertedero. Pueden reducir también las emisiones de gases de efecto invernadero. En plantas de tratamiento de aguas residuales competentes, los desperdicios de comida pueden reciclarse para producir energía renovable. Además, las plantas de tratamiento de aguas residuales competentes pueden procesar los desperdicios de comida y convertirlos en fertilizantes. (Verifique la planta correspondiente a su zona.)

In-Home Limited Warranty
If there is a problem with the disposer while under warranty, there's no need to remove the disposer and take it back to the Ace store where you bought it. Simply call 1-800-558-5700 and a Factory-Authorized Service Agent will come to your home, and replace or repair the disposer at no charge.

In-Home Limited Warranty covers all replacement parts and repair labor to correct defects in material workmanship for 2 years from the date of installation. This warranty gives you specific legal rights, and you may also have other rights which may vary from state-to-state.

FOOD WASTE DISPOSER

TRITURADOR DE DESPERDICIOS DE COMIDA

Model 2000 features:

- 1/2 HP motor
- 2-Year In-Home Limited Warranty

Quick-Lock® mounting for easier, faster installation

If you're replacing your disposer, chances are the existing sink mount does not need changing. Ace disposers come with a Quick-Lock® mount which fits most major brands of disposers. Just lift the disposer into position and one twist locks it in place!

This unit easily replaces all food waste disposers with the Quick-Lock® mounting system including brands such as: InSinkErator®, Evergrid®, Kenmore®, KitchenAid®, Master Plumber®, Maytag® and Whirlpool®.

All Ace Brand models include:

- Quick-Lock® mount for easy installation
- Built-in dishwasher drain connection
- Self-service wrench to free simple jams

The Ace® Promise
If the disposer is ever used for its intended purpose, fails to give you complete satisfaction, return the item to the Ace Hardware store where you purchased it for free replacement of the same or similar item.

El Compromiso de Ace®
Si este producto Ace, cuando se usa para su fin previsto, no le satisface o no cumple satisfactoriamente, devuélvalo a la Tienda de Ace Hardware donde lo compró para que se le reemplaque sin costo por uno igual o similar.

Quick-Lock® is a registered trademark of InSinkErator®, a business unit of Emerson Electric, Co.
